OPENER - MIDDLE BREAK

Well the FOUR little LADIES gonna CHAIN the ring, you gonna turn 'em with an arm around
Turn and send that lady straight back home across that town
Join up hands CIRCLE to the LEFT you get a rollin' all around you go
You do an ALLEMANDE LEFT with your left hand and you WEAVE THE RING

Well the grass it couldn't be any bluer.

You can hear the weeping willow cry. (SWING and PROMENADE)

And the sky has slowly gotten closer

Down in the valley with the rocky mountain high

FIGURE

HEAD (SIDE) two couples gonna PROMENADE HALF around that ring
