

OPENER - MIDDLE BREAK

Grand Square

Some guys have all the luck
Some guys have all the pain
Some guys get all the breaks
Some guys do nothing but complain
Four Ladies Chain go across the ring
Chain her home and Promenade I sing
Some guys get all the breaks
Some guys do nothing but complain

FIGURE

Heads Promenade, travel halfway around
Walk in and Square Thru
Go all the way, with a Right and Left Thru
And then an Eight Chain Two, Slide Thru
Square Thru and go, three quarters round there you know
You Swing, Promenade
*Seems so unfair, when there's love everywhere, but there's none for me...

CLOSER

Grand Square
Some guys have all the luck
Some guys have all the pain
Some guys get all the breaks
Some guys do (Allemande Left and Weave)
If you were here with me
I'd feel so happy, I could cry
You are so dear to me
I just can't let you say goodbye

TAG

Chain the Ladies over and back (Woo-hoos)
