

OPENER

Circle Left

I'm shouting all about love
While they treated you like a dog
Men Star Right, one time tonight
Left Allemande and Weave
I'm talking all about how to give
Swing that girl and promenade the ring
But you point the way to the truth when you say
All you need is love

FIGURE

Heads Square Thru Four Hands go 'round
Do-Si-Do that corner and then
Swing Thru the Boys Run Right
Ferris Wheel into the middle and then
A Right and Left Thru and turn again
Half Sashay and Turn Thru
Swing that girl and promenade her too.
You were the one who imagined it all ...all those years ago

MIDDLE BREAK

Circle Left

Four Ladies Promenade
Get back and Swing with your guy
Circle Left, get movin and then
Allemande and Weave
I'm talking all about how to give
Swing that girl and promenade the ring
But you point the way to the truth when you say
All you need is love

CLOSER

Grand Square

I'm shouting all about love
While they treated you like a dog
When you were the one who had made it so clear
All those years ago
Four Boys Promenade Inside
Swing that girl and promenade
But you point the way to the truth when you say
All you need is love
