

California (TBT 136) - Philipp Kamm ([www.throwbacktunes.com](http://www.throwbacktunes.com))

#### OPENER

Circle Left

It's a three day drive if she drives all night  
Says she's leavin' at the crack of dawn  
Now the Boys Star Right, roll it round tonight  
Left Allemande the corner, Weave you run  
Already packed up, the Altima's gassed up  
She's done put the map up there on the dash  
I'm all tore up, just trying to man up  
Dammin' these tears up but can't hold 'em back

#### FIGURE

Heads Square Thru shake it four hands go  
Find the corner lady do-si-do  
Swing Thru man, Boy you run my friend  
Bend the line and do the right and left thru  
Flutterwheel and you better go Slide Thru  
Swing with your girl, promenade her like that  
\*I'm all tore up, just trying to man up  
\*\*Dammin' these tears up but can't hold 'em back

#### MIDDLE BREAK - CLOSER

Grand Square

She's in love with California  
And that west coast sunshine dream  
These ain't no Holly Woods, these hills ain't Beverly  
Allemande and Weave  
Ain't no beaches on these backroads  
No sunset on the boulevard  
She's in love with California  
Breaking my heart

#### TAG

She's in love with California, breakin' my heart

#### ADDITIONAL LYRICS

\*Before she hits Flagstaff, maybe she'll backtrack
