

OPENER

Circle Left
Caribbean Queen,
Now we're sharing the same dreams
Left Allemande Do-Si-Do with your own
Men Star Left it's one time and go
You Turn your Partner by the right
Left Allemande swing and promenade tonight
And our hearts they beat as one
No more love on the run

FIGURE

Heads Promenade travel halfway around and go
Pass the Ocean, Extend
Hinge, Scootback and go
Boy Run and a Right and Left Thru
Dixie Style make an ocean wave
Boy Trade, Boy Run
Half Sashay and promenade
*She said I was the tiger she wanted to tame
**And passion burns you like never before

MIDDLE BREAK

Grand Square
I was in search of a good time
Just running my game
Love was the furthest, from my mind
Allemande and Weave
Caribbean Queen,
Now we're sharing the same dreams
And our hearts they beat as one
No more love on the run

CLOSER

Four Boys Promenade inside
Get back home swing that girl round oh my
Join up hands a circle left round and then
Allemande left and weave that ring
Caribbean Queen,
Now we're sharing the same dreams
And our hearts they beat as one
No more love on the run
