Circle Left

I was a fool, for your love from the moment I saw you
LEFT ALLEMANDE that corner lady, DO-SI-DO with your girl
ALLEMANDE LEFT and WEAVE the ring
Well my heart threw away the key
SWING that girl PROMENADE for me
(I'm as blind as a man could be)
Oh, darlin', can't you help me see the light

FIGURE

HEADS (Sides) PROMENADE, HALF WAY 'round walk right in and you
SQUARE THRU
DO-SI-DO around then
SQUARE THRU THREE more and go-o-o
TRADE BY
SLIDE THRU - SQUARE THRU TO THREE
SWING that girl and PROMENADE her for me
Oh darling, can't you read between the lines

MIDDLE BREAK - CLOSER

Grand Square

Hey Deanie, won't you come out tonight
The stars are dancing like diamonds in the moonlight
And we could never find a better time to be in love
ALLEMANDE and WEAVE 'round the ring
Hey Deanie, won't you come out tonight
SWING that girl and PROMENADE you hold her so tight
(The summer's waiting', the moon is shinin' so bright)
Hey Deanie, you're the one I'm dreamin' of
