

OPENER

Grand Square

Outside another yellow moon, has punched a hole in the night time mist

I climb through the window, and down to the street

Lord, I'm shining like a new diamond

Allemande and Weave the ring

The downtown trains are full

Swing that girl and Promenade the ring

Full of all them Brooklyn girls

They try so hard, to break out of their little world...

FIGURE

Heads (Sides) Promenade half way round you go

Walk in and Square Thru to Four hands round

Go all the way and then a Right and Left Thru

Veer Left and Ferris Wheel around now

You Square Thru Three and then

Swing that girl and Promenade my friend

Lord, if I was the one, you chose to be your only one, oh baby (OR)

Oh they head to the carnival, but they're never gonna bring you back

MIDDLE BREAK - CLOSER

Grand Square

Will I see you tonight? On a downtown train?

Every night, every night, it's just the same

Allemande and Weave the ring

Will I see you tonight? On a downtown train?

All my dream, all my dreams fall like rain

On a downtown (train)

TAG

(Circle Home)

On a downtown train, all my dreams fall like rain, on a downtown train
