You can feel it starting all over again

The moon comes up and the music calls

You're getting tired of staring... (Allemande Left and you Weave)

You're out of your room and down on the street

You can feel the crowds in the midnight heat

The traffic roars the sirens scream

Look at the faces, it's just like a dream

Heads Promenade and take it halfway you know

Down the middle Pass the Ocean there, Extend

Swing Thru tonight, Boy you run to the right

Couple Circulate and Ferris Wheel all right

Double Pass Thru the leaders Partner Trade

Swing that girl and then you'll all Promenade

Grand Square

'Cause you belong to the city

You belong to the night

Living in a river of darkness beneath the neon light
